

### Where is Flin Flon Ski Club?

Most Saskatchewan skiers will be coming from the west via Highway 106.  
 Most Manitobans will approach from the south via Highway 10.

Once you are in town, head south for just under 2 kilometres from the lights at the junction of Third Avenue (Highway 10a) and Boam Street.  
 Along the way, you'll pass the soccer field, the cemetery and the ball diamonds at Centoba Park.

The final approach has recently been named "Ma Crerar Way" in honour of long-time Ski Club supporter Mary "Ma" Crerar
